## SPRING FARM-TO-TABLE OPTIONS

While ramps and fiddlehead ferns might steal the spotlight each spring, radishes deserve some love too! These versatile root vegetables have vibrant colors and flavors and can be enjoyed raw, roasted, pickled, or blended into condiments. We offer a variety of **locally sourced, organic** mixed radishes, including Red, French Breakfast, Fakir, and Easter Egg, from **Norwich Meadow Farms**.

Be sure to log in to your account to view more of our spring menu favorites, such as English peas, Holland flat beans, gold bar squash, and mag melon. If you can't find what you're looking for, please don't hesitate to give us a call so we can source it for you.
