## STEP OUTSIDE THE ORDINARY & EXPERIENCE THE WILD

We just received our first shipment of freshly foraged **Ramps** and **Fiddlehead Ferns** from West Virginia and Oregon. But understanding that weather challenges make it difficult to source other menu items, we have some great alternatives. Give Nardello peppers a try as a delicious substitute for Holland Red Hot Chilis or Florentino Cauliflower in place of Broccolini, which has become virtually non-existent. And arriving straight from Holland tonight for immediate delivery we have **XXL white asparagus**.
