## INDULGE IN THE AROMA OF SPRING

Spring has arrived, and our wholesale seasonal produce and specialty items are arriving daily. Whether you're creating fresh dishes, drinks, jams, or desserts, our selection offers unique and flavorful options for your menu. For Easter dishes, try our fresh Shelled English Peas to save time. We also offer a range of exotic fruits, including quince apple, passion fruit, guava, Forelle pears, and Melon mag, that can be used in various culinary creations such as popsicles, sorbet, ice cream, salsa, chutney, agua frescas, cocktails, and smoothies. And don't forget about our fresh Mexican Campari and Beefsteak tomatoes, perfect for cold soups and salads.
