## SIGNS OF SPRING

As we transition from winter comfort food trends to spring menu creations, we are excited to explore the early green spring produce options that are now available. We also have fresh, fusion-influenced ingredients for dishes and beverages that can help restaurants meet the rising demands of the younger generation's changing taste preferences and global connectivity.

Check out our weekly specials to see what's taking center stage next!

**DID YOU KNOW THAT RIVIERA OFFERS SPECIALTY PRODUCTS FOR YOUR FUSION-INFLUENCED DISHES? TELL US WHAT ELSE YOU NEED AND WE HAVE YOU COVERED.**
