LOCAL PRODUCE, BIG IMPACT

Noteworthy occasions are heating up, and we've got just the right produce to cool down your food and drink menus.

This week, we're serving up pure refreshment and natural sweetness you'll want to share. With more consumers looking for clean, plant-based options without seed oils, we're here to help with fresh, local picks that hit the mark.

And remember: we never say no to a customer. If you don't see what you need, just let us know!
