CAN'T STOP THINKING ABOUT

Achieving balance isn't just about adding another loyalty program to boost traffic. This time of year practically calls for menus that lean into those "almost winter" flavors. With diners shifting their preferences, chefs are already dreaming up twists—whether it's a reimagined French onion soup or a fresh take on the latest street-food trend.

Whatever inspiration strikes, we've got the ingredients to support it. Follow us on social media for the latest updates, @Riviera_Produce.
