A BIT OF WINTER SUNSHINE

We can't wish away the chill, but we can add a little sunshine with peak-season winter citrus. This is the best time of year to bring brightness to winter menus. From salads and soups to beverages and desserts, citrus adds balance, flavor, and flexibility across every diet and menu style.

Enjoy this week's haul of fresh, versatile citrus, packed with health benefits beyond vitamin C.

Follow us on social media for the latest updates, @Riviera_Produce.
