THE PRODUCE MASH-UP

Customers are looking for fresh produce everywhere, from grocery store shelves to restaurant tables, which means chefs have to work a little harder to keep menus exciting. Fresh, seasonal, and locally sourced produce matters not just in prep. It helps tell the story behind every dish, drink, and special.

That said, rotations don't happen only on your menu. They happen in our warehouse, too. This week, we're highlighting some of our best in-season, locally sourced produce picks, including juicy, sweet stone fruit that is starting to take center stage in dishes, desserts, cocktails, and mocktails.

Follow us on social media for the latest updates, @Riviera_Produce.
