FRESHNESS IS FLOODING IN

The floodwaters may be gone, but we never stopped delivering. Swap the lingering stench outside for something your customers will actually want to smell: fresh seasonal sweet berries, stone fruit, citrus, and melons, plus crisp veggies for refreshing salads.

And we have more, including only the most sought-after still and sparkling water, mocktail, and cocktail fruit mixers to sweep them right back in.

Check out this week’s specials and follow us on social media for the latest updates, @Riviera_Produce.
