FRESH AND TRENDING

Produce and picks sourced for chefs - local, fresh, and ready to make a big impact on your seasonal menu. Good sourcing habits start with a fresh pick.

Here are our weekly picks that taste like sunshine, so you can stop sniffing around in the wrong places and cool down your menu with local varieties of tomatoes, melons, and peaches. Add some sustenance that won't heat up your kitchen and soothes without asking too much of you.

Think summer salads, fresh-pressed juices, cocktails, smoothies, desserts, and so much more.

Check out this week’s specials and follow us on social media for the latest updates, @Riviera_Produce.
